and Stomach.Invaluable for persons of
sedentary habits.

SOLD EVERYWHERE.

Minerva Mirillo

Is a mild and pleasant, but exceedingly effective aperient, keeping the blood pure, regulating the liver, clearing the complexion, removing gouty matter from the system, and generally warding off disease. Made from, and containing all the valuable properties of, ripe fruit. Prized by travelers, seafaring men, and residents in hot climates. A sure preventive of diarrhoea, and a delightful invigorator of the constitution. When used simply as an effervescent beverage, it has most salutary results. Valuable for all persons of sedentary habits, removing depression and head affections, and generally bracing up the nervous system.

A BICYCLE TOUR

Contemplated by a Well
Known Attorney.

J. Q. Wood Will First Take a Law
Course at Harvard and Then
Go to England.

The many friends of Attorney J. Q. Wood will be sorry to hear that he contemplates leaving the Islands for at least two years. He will take the next Australia to the Coast unless something should happen to change his plans in the meantime.

"Yes, I shall be away at least two years," he said yesterday afternoon. "I shall sail three weeks from today, and after spending a few days in San Francisco shall go direct to Boston. My intention is to remain there about a year, spending that time in taking a law course at Harvard University. After that I am going to England for another year or longer even. My mind has long been made up to see England thoroughly and I shall do it on my wheel. My intention is to visit all the points of interest in that most interesting of all countries to my mind. I shall ride from place to place as the spirit moves me, and stay wherever I feel like it and just as long as there is anything of interest to see. I expect to take fully a year in doing that and I may be much longer. When my visit to England is over my intention is to return to the Islands to remain permanently, for after all there is no place more suitable to live in than Hawaii. I have not fully decided what I shall do on my return, but most probably resume the practice of my profession."

If all reports are true Mr. Wood has realized a nice little competency out of a few lucky investments in sugar stocks, and is well able to gratify his ambition both in the further accumulation of legal lore and the delights of a life of travel.

BITS OF HUMOR AND STERLING FACTS.

"Is Mrs. Barkis on your calling-list, Mrs. Montmorency?" "Yes; but not on my visiting-list. We call the telephone book our calling-list now."

The Sterling wheels are in the lead! Horses for racing purposes, or most any other, are in comparison to the Sterling. One of these handsome, up-to-date wheels is "a thing of beauty and a joy forever." The joys of an open-air existence and a spin on one of the built-like-a-watch wheels is a pleasure worthy of a king.

"With all my worldly goods I thee endow!"
He stopped short—his strong brain seemed to reel—
"At least with all of them!" he stammered now—
Except my brand new Sterling Chainless wheel."

Editor—"Did you write these jokes yourself?" Manager P. C. & M. Co.—
"Yes, sir," Editor—"You must be older than you look."

Don't ride a wheel unless it's a good one. Don't pay more than a wheel is worth. Don't take chances on an unknown make. Go to the Pacific Cycle and Mfg. Co., on Fort street, and buy a Sterling bicycle that has a reputation.
